

[mdbci] Maria DB Continuous integration tool - Task #7101

Problem with maxscale1.43 installation on centos5

22.06.2016 17:19 - Mark Zaslavskiy

Status:	Closed	Start date:	22.06.2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	mdbci features	Estimated time:	0:00 hour
Sprint/Milestone:	backlog	Spent time:	0:00 hour
Target branch:		Test scenario:	
Description			
- maxscale1.43 centos5 при установке нет большой части вывода (проверить что идет stderr) + не будет работать - install_product (забить баг)
