History

#1 - 09.06.2017 18:28 - Mark Zaslavskiy

Problem is not related to inject env variables step

Problem is possibly related to <https://wiki.jenkins-ci.org/display/JENKINS/Spawning+processes+from+build>

#2 - 13.06.2017 09:42 - Timofey Turenko

- Status changed from New to Closed

fixed by killing all processes started by build/upgrade test
